MOVEMENT
DAY **2026**
PHILADELPHIA

Dear Friends, Partners, and Sponsors,

Thank you. Not just for your support, but for your belief in what God is doing across our city.

Movement Day Philadelphia is more than an event. It's a glimpse of what's possible when leaders from every sphere—church, business, education, government, and beyond—come together with a shared heart to see lives transformed and our city renewed.

Today, we gather in one room...But the vision has always been bigger than a room.

We believe that when we come together aligned in purpose, something powerful happens, not just addition, but multiplication. Not just inspiration, but activation. That's the heart of Movement Day.

As you engage today, lean in. Listen closely. Build boldly.

There are people in this room you are meant to connect with. There are assignments in your sphere that only you can carry. And there are solutions for our city that will only be unlocked together.

Our prayer is that today would not be a highlight, but a catalyst.

What begins here would continue in boardrooms, churches, classrooms, and neighborhoods across Philadelphia.

Because transformation doesn't come from one moment, it comes from a movement of people who choose to live on mission every day.

Thank you for being part of this. Thank you for investing not just in an event, but in the future of our city.

We're better together.

With gratitude and expectation,

Pastor Terry Davis

NEW WORLD IMPACT

Transforming Communities Together

Through World Impact's programs, we equip and empower church and ministry leaders with the practical, biblical training they need to meet the rigorous demands of urban ministry and introduce Gospel hope and healing to their communities.

CHURCH-BASED SEMINARY

The Urban Ministry Institute offers an affordable seminary-level education within the context of the local church in communities of poverty.

PRISON MINISTRY

We partner with local churches to equip incarcerated men and women for prison ministry and to come alongside newly released citizens entering ministry back home.

URBAN CHURCH PLANTING

Our Evangel Schools of Urban Church Planting catalyze church-planting movements in under-resourced communities by identifying and equipping Christian workers.

TRAUMA HEALING

We equip ministry leaders to provide Biblically-based trauma care to their neighbors.

Know GOD Reveal GOD

Christ Community Church strives to know God and reveal Him to our families, our communities and our city. We are better together, so join us!

ACTS 4:24

From the earliest days of the Church, God has poured out His Spirit when His people sought Him together. We believe He still delights to meet us in that same way—filling, healing, and guiding His people as one Body.
